

## Stone Ledge Farm

### Board & Training

#### **Board**

**\$450.00/month**

Daily feeding, stall cleaning & bedding, and turnout included. All boarded horses will be put on the SLF farrier and veterinarian schedule. Special feed, supplements and medications are not included in the monthly board charge and are the responsibility of the owner. Board will not be discounted or reduced for feed or bedding brought in by owner.

#### **Layover Boarding/Day**

**\$25.00/Day/Horse**

This is a flat rate that will not be discounted or reduced for feed or bedding brought in by owner of the horse(s).

#### **Full Training**

**\$900.00/month**

Full training includes board and one nontransferable lesson per week. Lessons may not be "banked" and are for owners to use on their own horses. Horses **MUST** be in full training for at least **90 days prior** to their first show in order to qualify for showing. Full training is required for all Show Horses at Stone Ledge Farm and is appropriate for any horse learning to ride or drive. Young horses with little or no training are encouraged to start full training as early as November or December to be properly prepared for the next show season.

#### **Partial Training**

**\$700.00/month**

Your horse is worked 3-4 days/week. This program includes board and daily turnout. It is an ideal program for show horses in the off season, giving them a mental and physical break while still offering them the routine and structure they are accustomed to. It is also a suitable program for horses that need rehabilitation from sickness or injury. Lessons are not included in this program. This is a horse conditioning program.

**All horses must arrive with payment for first month's Board and Training, a current coggins and registration papers.**

**All horses are required to be up to date on vaccinations. We require EWT, Flu/Rhino, intra nasal Strangles, Rabies, Potomac Horse Fever and West Nile Vaccinations. We encourage the owner to have these done prior to arrival. If not given prior to arrival or no record is provided upon arrival, SLF will have any necessary Vaccinations administered by a licensed veterinarian who will bill the owner accordingly.**
